Dear Marc,

Keystone Property Management Inc. is proud to call M.J. Laforest Electrical Contractors Ltd. a valued authorized contractor of Keystone, since 2006.

Keystone Property Management Inc. expects an exemplary commitment from its contractors, in order to ensure the expectations of landlords and residential and commercial clients, are not only met, *but exceeded*.

M.J. Laforest Electrical is continuously able to fulfill these expectations in all areas including:

- providing estimates that are well thought out and defined
- striving for and achieving a high level of quality control and professionalism in the execution of each project, whether a simple repair or as an integral part of a larger renovation
- meeting time lines to ensure our client's expectations for completion are met
- offering ideas and opportunities to improve the outcome from the beginning of the project, that in some cases, include an ability to find a reduction in costs, while meeting the project objectives
- personal and deliberate attention from all members of the M.J. Laforest Team!

M.J. Laforest appreciates the significant value of its relationships with its customers. Keystone Property Management Inc. also appreciates the significant value of its subcontractors, including M.J. Laforest Electrical Contractors Ltd.

Sincerely,

Jay Abramsky
President
